**Campers:**

Specific campsite reservations are not necessary. *If you wish to reserve a specific campsite you must pay each night beginning with Saturday night to reserve your site, whether or not staying in it.* This has become necessary as campsite prices increase. We will make every effort to secure your requested site.

You may also choose an unreserved campsite from among our block when you arrive.

Look for the "Reserved for MPC" tag on the site. If no name is indicated, it is available.

All campsites are clustered together within the MPC group reservation.

Registration for campers will continue through June 1<sup>st</sup>.

We want to reserve campsite # \_\_\_\_\_ (first choice) or campsite # \_\_\_\_\_ (second choice).

We will choose our campsite upon arrival \_\_\_\_\_.

(Site maps are available at the Registration table)
